

Dear Arlington Aces Parent,

Registration for the spring 2008 season is now open. The on-line system is accessible directly at <https://ssl.demosphere.com/AASC/> or through the Arlington Soccer Association website, www.arlingtonsoccer.com. Follow the links to the Aces website.

Here are the key facts:

Registration Period: February 18 – March 14, 2008. Registrations received after March 14, 2008 will be charged a \$25 late fee and team placement cannot be guaranteed. Registrations will not be accepted after March 21, 2008. Players must turn five years old by April 19, 2008 to be able to register.

Fees: Registration fees for the spring 2008 season are \$55 per player. Uniform kits consisting of a jersey, shorts and socks are available for \$25 and ARE NOT included in the \$55 registration fee. If you are a new player with the Arlington Aces you will need a uniform. Please ensure you specify a uniform purchase (size included), if needed, as part of your online registration as it cannot be added to your on-line credit card order once submitted. Registration refunds WILL NOT be made following final team roster determination – March 28, 2008. Only Visa & MasterCard are accepted for on-line payment.

Team Assignment Policy: Player to team assignments is on a first-come, first-served basis according to registration date. Prior season team assignment is assumed to be the player's preference unless specifically indicated in the registration form.

Players may also download the Aces registration form on our link off the ASA website (www.arlingtonsoccer.com and go to the Aces club link) and mail it with payment to Arlington Aces Soccer Club, 3905 N. Dumbarton St., Arlington, VA 22207. Please ensure you use the Aces Registration form and not the generic ASA form.

Registration Tips:

- Please take a minute to verify that the household information, i.e., address, phone numbers, email address(es), in your record is current and accurate as this information is used for coach's rosters and parent/player contact.
- If your child is a returning player and you DO NOT wish them to stay on the same team as last season, please state this in the comment section of the registration. The default assumption is that you'd like your child to remain with the same team and coach.
- Make sure your primary email address is listed as your 1st email. Communication from coaches & the club will be sent to this address.
- Upon completion of the on-line registration print and retain your confirmation & PIN number. An email confirmation will be sent to your primary email address with this information. This will allow for easy entry into the system to edit your records or for sign-up in future seasons.
