

## Rec committee meeting 2/5/13

Present; SASC AK, Lions, ASA, Falls Church, Lightening. Robb Tanner, Civs, others—  
Quorum

1. Approve notes from last meeting. Motion made and approved
2. Justin Wilt suggests adding sentence to rules that will require medical clearance for player who suffers a concussion to come from an expert in the field. Discussion. Motion to amend approved. An expert in the field must clear players returning from a concussion. Inform coaches
3. Information change: Approval of language change concerning definition of travel player. Rec/Admin Rules create new term "Select" instead of travel player. A select player is a player who is registered to play with a travel or developmental team. Discussion Approved.
4. Club Managers need to register as CM if not coaching in order to have the background check. If coaching do not register as CM. ASA does not want to pay twice for same check.
5. Concussion Publication from CDC. Justin distributed information. Request CM order indicated publications to distribute to coaches. Justin will send the link.
6. Silent Soccer. Do it again? Vote. Approved. 5/11/13 Kids can talk and should be encouraged to talk to team. Please inform coaches.
7. Rec Club Manager's Roles and Responsibilities. ASA does not have a high level description for this position. Please think about how this role should be defined. CM should respond quickly to players and parents
