Mauricio Questions re Clinics

Mauricio had questions for Dan regarding the location and timing of clinics. They are going to coordinate separately.

Fall Calendar

The timing of the fall tournament was discussed. Due to the experience from this past fall, we do not want to want the tournament on the same day as the ART. Various solutions were discussed: 1) shorten the season by one game and use the weekend before the ART for the tournament, 2) hold the tournament during the middle of the season, 3) hold the tournament in December, 4) keep it the same weekend as ART but expand # of fields and start the tournament Friday night.

Outside Teams in Tournament

Loudon has approached ASA asking to put their high school teams in our tournament. The group decided this was not a good idea.

The meeting was adjourned at 3:52pm.
